2011 Southeastern Flower Show February 25-27

In Tune With Blooms

presented by the Southeastern Horticultural Society

Experience a musical springtime at the 24th annual Southeastern Flower Show at the Cobb Galleria Centre. The theme, *In Tune with Blooms* selected by Show Chairs Mary and Felton Norwood and Honorary Chair Coach Vince Dooley, emphasizes the delight of music in the garden with live performances throughout each day.

Take notes on professionally designed Landscaped Gardens and choose your favorite Artistic Floral Design or specimen plant in the Horticulture Division. Explore Discovery, Photography and Bonsai Exhibitions within the Show and enjoy garden and home-related shopping in the Marketplace and Bookstore, or enter the Raffle to win.

New this year, Vignettes by the Southeast's foremost Event Designers. Rest and learn while listening to headliner speakers including Honorary Chair Coach Vince Dooley, TV Gardening Hosts P. Allen Smith, Walter Reeves and Erica Glasner, Horticulture Professor Dr. Allan Armitage and Chef John Grady Burnes; informal flower arranging gardening and cooking demos are offered daily. Family and children's discovery workshops add to the experience.

Cobb Galleria Centre is located at Two Galleria Parkway Atlanta, Georgia 30339 and accessible from I-75 and I-285. The show is open Friday and Saturday, Feb. 25-26 from 10 a.m.– 8 p.m. and Sunday Feb. 27 from 10 a.m.– 6 p.m. General Admission is \$18 with Adult Advance Tickets \$15. Nearby hotel packages are available at favorable rates. For additional information about the Flower Show and the Southeastern Horticultural Society or to join the SHS, visit <http://www.sehort.org> or phone 404-351-1074 during business hours.
